

What's for lunch?

EXCITING NEWS!

Now you can view all your school menus complete with nutrition information online on your desktop or mobile device and even have your menus emailed to you each week!

It's Simple!

1. Visit www.preferredmealsmenu.com or access through a link on your school's website.
2. Create a login username and password. Be sure to check the box to receive your saved schools menu by email.
3. Select your state, district and school name.
4. Click "Save this School" for easy access every time you log in.
5. Click "Display Menus" or click on your saved schools name to see menus.

Your menus are displayed by week, or choose the print option to print the whole month with optional nutrition and allergy information. Use the calendar or arrow keys to scroll and view different weeks.

Healthy Facts!

Nutrition facts, allergy information and photos of meals items can be simply viewed in a pop-up window by hovering your mouse over a menu item. Colorful icons denote school meal component requirements.

It's so easy to see how Healthy School Meals are!
